Dear Ian

Kick-start Funding Applications

Thank you for notifying us that our first project has been approved.

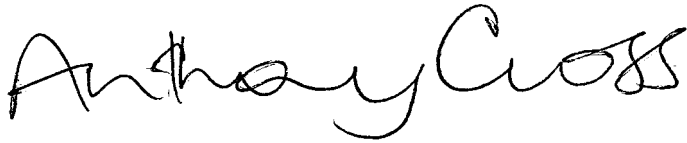

I now enclose applications for the following "B" projects. The "B" relates to our readiness to submit them, rather than to any order of priority – we have a number of "C" and "D" projects being worked on as well!

Having said that, I would appreciate it if you could assess the Wellington City bus service projects B5, B6 and B7 first, as -Stagecoach is keen to start the necessary rescheduling exercise as soon as possible if these projects. are to proceed in the New Year.
