Divisional Manager's report

1. Purpose

To inform The Committee about the activities and progress of the Public Transport Division since the committee's last meeting.

2. Significance of the decision

The matters for decision in this report **do not** trigger the significance policy of the Council or otherwise trigger section 76(3)(b) of the Local Government Act 2002.

3. Manager's reports

The Departmental Managers' reports are attached.

4. Highlights

Key matters to highlight since the previous report are listed below:

- Disruptions to Wellington bus services. Details are covered in the Departmental Managers' reports. We have commenced some internal debriefing and are arranging a debriefing with Stagecoach. The key objective is to identify what actions are necessary to avoid a similar situation arising in the future.
- We continue to have productive discussions with ONTRACK to identify work programmes and priorities for network maintenance, renewals and upgrades. A key outcome is an assessment of the funding required against the funding that has been provided in the Regional Transport Programme and Long-term Council Community Plan.

5. Change in Committee Chairperson

I want to thank Cr Evans for his stewardship of the Passenger Transport Committee and for his dedication to the pursuit of enhanced public transport in

the region. His guidance and support has been very much appreciated, and we look forward to his continued contribution as a member of the Committee and Chair of the Wellington Regional Passenger Transport Plan Hearing Subcommittee.

Welcome to Cr Glensor as the new Committee Chair. We look forward to working with you over the coming months.

6. Communication
