Submission

1. The specific parts of the proposed Regional Policy Statement that my submission relates to are as follows:

- 3.1 Air Quality oppose
- 3.6 Indigenous ecosystems oppose
- 3.7 Land Use oppose
- 3.8 Natural Hazards oppose
- 3.11 Soil & minerals oppose

(Clearly indicate which parts of the document you support or oppose, or wish to have amendments made to. Please continue on separate sheet(s), if necessary)

2. My submission is that:

I oppose The proposed Regional Policy Statement.
As it does not consider landowners rights
and there is no compensation to landowners
affected by these policy.

Very little common sense is allowed for in
these policy eg Not to control rivers but not spend
any money / fixing erosion on rivers.
Want to stop buying eg had damage
want to protect farmland yet gov't no worried about
it. (free market)
Want to stop building in certain areas (good idea
if there is any safe place to build in NZ) not the from
earthquake flooding volcanic eruption fire etc.
Land scape who values landscape? who pays for protection
then.

(State the reasons for your submission. Please continue on separate sheet(s), if necessary)

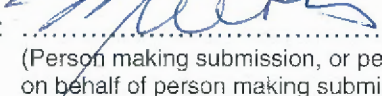

I wish Greater Wellington to make the following decision:

Greater Wellington should Repeal the policy.
Allowing landowners compensation by the public
whos land is affected by this policy.
Decline The Regional Policy Statement.
Work with landowners for a common sense approach.
