

Programme for Restoration Day 2009

8:00 am Registration

8:30 am Welcome, Mihimihi, house keeping and programme overview

9:05 am **Porirua City Council Mayor – Jenny Brash**

9:10am **Keynote speaker**

Taku Parai, Ngati Toa

The Porirua harbours are an integral part of the Ngāti Toa iwi. Ngāti Toa kaumatua Taku Parai will present an iwi perspective of the pre-European mauri (life force) of the harbours and how development has affected both the harbours and iwi.

9:30 am **Keynote speakers**

Keith Calder and Peter Handford

Keith and Peter will look at how to achieve meaningful and sustainable community and catchment-wide environmental outcomes with particular reference to the Porirua Harbour and catchment.

9:50am Morning Tea

10:10am **Regional Round up**

Wanda Tait

Wanda will talk about the context of the Pauatahanui Wildlife Reserve as part of the total ecology of the Pauatahanui Inlet.

John Lancashire

John will be discussing the role of the restoration group in Queen Elizabeth Park and more recently Whareroa Farm.
