# Further Submission

## on Proposed Natural Resources Plan for the Wellington Region

Fold here

Clause 8 of Schedule 1, Resource Management Act 1991.

Please complete this form to make a further submission on the Proposed Natural Resources Plan for the Wellington Region (**PNRP**). All sections of this form need to be completed for the submission to be accepted.

A further submission may only be made by a person representing a relevant aspect of the public interest, or a person that has an interest in the PNRP greater than the interest that the general public has, or the Wellington Regional Council itself. A further submission must be limited to a matter in support of, or in opposition to, a submission made on the PNRP.

For information on making a further submission see the Ministry for the Environment website:  
[www.mfe.govt.nz/publications/rma/everyday-guide-rma-making-submission-about-proposed-plan-or-plan-change](http://www.mfe.govt.nz/publications/rma/everyday-guide-rma-making-submission-about-proposed-plan-or-plan-change)

**Return your signed further submission to the Wellington Regional Council by post or email by 5pm Tuesday 29 March 2016 to:**

## FORM 6: FURTHER SUBMISSION FORM

This is a further submission in support of, or opposition to, a submission on the PNRP.

### A. DETAILS OF FURTHER SUBMITTER

FULL NAME

Andrea Kapoutsos

ORGANISATION (\* the organisation that this submission is made on behalf of)

Ministry for Primary Industries

ADDRESS FOR SERVICE (INCLUDING POSTCODE)

Pastoral House, 25 The Terrace, PO Box 2526, Wellington 6140

PHONE

0800 00 83 33

FAX

NA

EMAIL

rma@mpi.govt.nz

### Only certain people may make further submissions

Please tick the option that applies to you:

- I am a person representing a relevant aspect of the public interest; or  
 I am a person who has an interest in the PNRP that is greater than the interest the general public has.

Specify below the grounds for saying that you are within the category you have ticked.

The Ministry for Primary Industries (MPI) provides overall leadership for New Zealand's biosecurity system, and together with regional councils, has a designated leadership role for pest management related activities. Pest and diseases, including invasive marine species, can have significant adverse impacts on our economic, environmental, human health and social values.

### Service of your further submission

Please note that you must **serve a copy of this further submission on the original submitter no later than five working days after this further submission has been provided to Wellington Regional Council.**

If you have made a further submission on a number of original submissions, then copies of your further submission will need to be served on each original submitter.

Signature:

Date:

29 March 2016

*Signature of person making further submission or person authorised to sign on behalf of person making the further submission. A signature is not required if you make your submission by electronic means.*

### Please note

All information contained in a further submission under the Resource Management Act 1991 becomes public information. All further submissions will be put on our website and will include all personal details included in the further submission.

### B. APPEARANCE AT HEARING

Please select from the following:

- I do not wish to be heard in support of my further submission; or  
 I do wish to be heard in support of my further submission; and, if so,  
 I would be prepared to consider presenting this further submission in a joint case with others making a similar further submission at any hearing.

Please enter further submission points in the table on the following pages

**C. FURTHER SUBMISSION POINTS**

Please complete the following table with details of which original submission points you support and/or oppose, and why, adding further rows as necessary.

<b>Details of the submission you are commenting on</b>	<b>Original submission number</b>	<b>Position</b>	<b>Part(s) of the submission you support or oppose</b>	<b>Reasons</b>	<b>Relief sought</b>
Name of person/group making original submission and postal address.	The original submission number can be found on the submitter address list.	Whether you support or oppose the submission.	Indicate which parts of the original submission (which submission points) you support or oppose, together with any relevant PNRP provisions.	Why you support or oppose each submission point.	The part or whole of each submission point you wish to be allowed or disallowed.
e.g. Joanne Bloggs 12 Pine Tree Avenue Redwood	e.g. submitter S102	e.g. Oppose	e.g. Oppose all of submission point S102/41	e.g. The submission point does not recognise...	e.g. Disallow the parts of S102/41 relating to...
New Zealand Diving and Salvage Limited	Submitter S147	Oppose	Oppose all of submission point S147/002	The submission point does not recognise the need for recapture of biofouling material from vessels with macrofouling biofouling of <b>domestic origin</b> .	Take into account the guidance in the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines with regards to biofouling of domestic origin.
New Zealand Diving and Salvage Limited	Submitter S147	Oppose	Oppose all of submission point S147/005	As summarised, the submission point suggests collected material will be allowed to be discharged into the coastal marine environment which negates the purpose of condition (d).	Disallow submission point S147/005 as it does not take into account guidance in the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines, or seek further clarity from the submitter.
New Zealand Diving and Salvage Limited	Submitter S147	Support	Support all of submission point S147/001	The submission point recognises the need for less stringent measures with regards to microfouling as per the guidance in the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines	Support the submission point as it calls for alignment with the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines
New Zealand Diving and Salvage Limited	Submitter S147	Support	Support all of submission point S147/006	The submission recognises the need for recapture of biofouling material from vessels with macro fouling of domestic origin.	Support the submission point as it calls for alignment with the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines

Details of the submission you are commenting on	Original submission number	Position	Part(s) of the submission you support or oppose	Reasons	Relief sought
Kiwi Rail Holdings Ltd	Submitter 140	Oppose	Oppose the suggested amendment in submission point S140/055	<p>The submission doesn't account for the need for recapture of biofouling material from vessels with macro fouling of domestic origin.</p> <p>Contrary to the statement that KiwiRail could not continue to clean their vessels in water as it currently does – the proposed rule encourages more regular cleaning of microfouling (condition c). It should also be recognised that the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines suggest that 'Macro fouling of domestic origin may be removed without the need for full containment...following risk assessment by the relevant authority.'</p>	<p>In addition to the application of the rule to international vessels, also include the application of the proposed rule to vessels with biofouling of <b>domestic origin</b> (as per the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines)</p>
CentrePort Limited	Submitter S121	Oppose	Oppose the suggested amendment in submission point S121/102	<p>The submission doesn't account for the need for recapture of biofouling material from vessels with macro fouling of domestic origin.</p> <p>Contrary to the statement that domestic operators could not continue to clean their vessels in water as they currently do – the proposed rule encourages more regular cleaning of microfouling (condition c). It should also be recognised that the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines suggest that 'Macro fouling of domestic origin may be removed without the need for full containment...following risk assessment by the relevant authority.'</p>	<p>In addition to the application of the rule to international vessels, also include the application of the proposed rule to vessels with biofouling of <b>domestic origin</b> (as per the Australia and New Zealand Anti-fouling and In-water cleaning Guidelines)</p>
