Take Care when riding in traffic

Be aware of others and let people know what you are going to do by signaling or eye contact.
Ride left but stay away from the door zone. Ride to be seen and be predictable – don't swerve in and out of gaps.

Follow the Give Way rules. The Road Code describes the Give Way rules: nzta.govt.nz/roadcode/code-for-cycling/
For more tips and guides visit: www.gw.govt.nz/cycling

Know your road signs and markings

You can ride in bus lanes, but not in bus-only lanes – some bus-only lanes can be used by all vehicles outside the times indicated.

Sharrow markings (a bike with a double arrow) are a reminder that people on bikes can take the lane.

Cycle lanes are marked or signposted. An Except Cycles sign shows you can ride somewhere other vehicles can't go – eg, past a No Entry sign.

Shared paths are marked or signposted. Give way to people walking.

Some have dedicated areas for walking and biking.

You can ride in a shared zone.

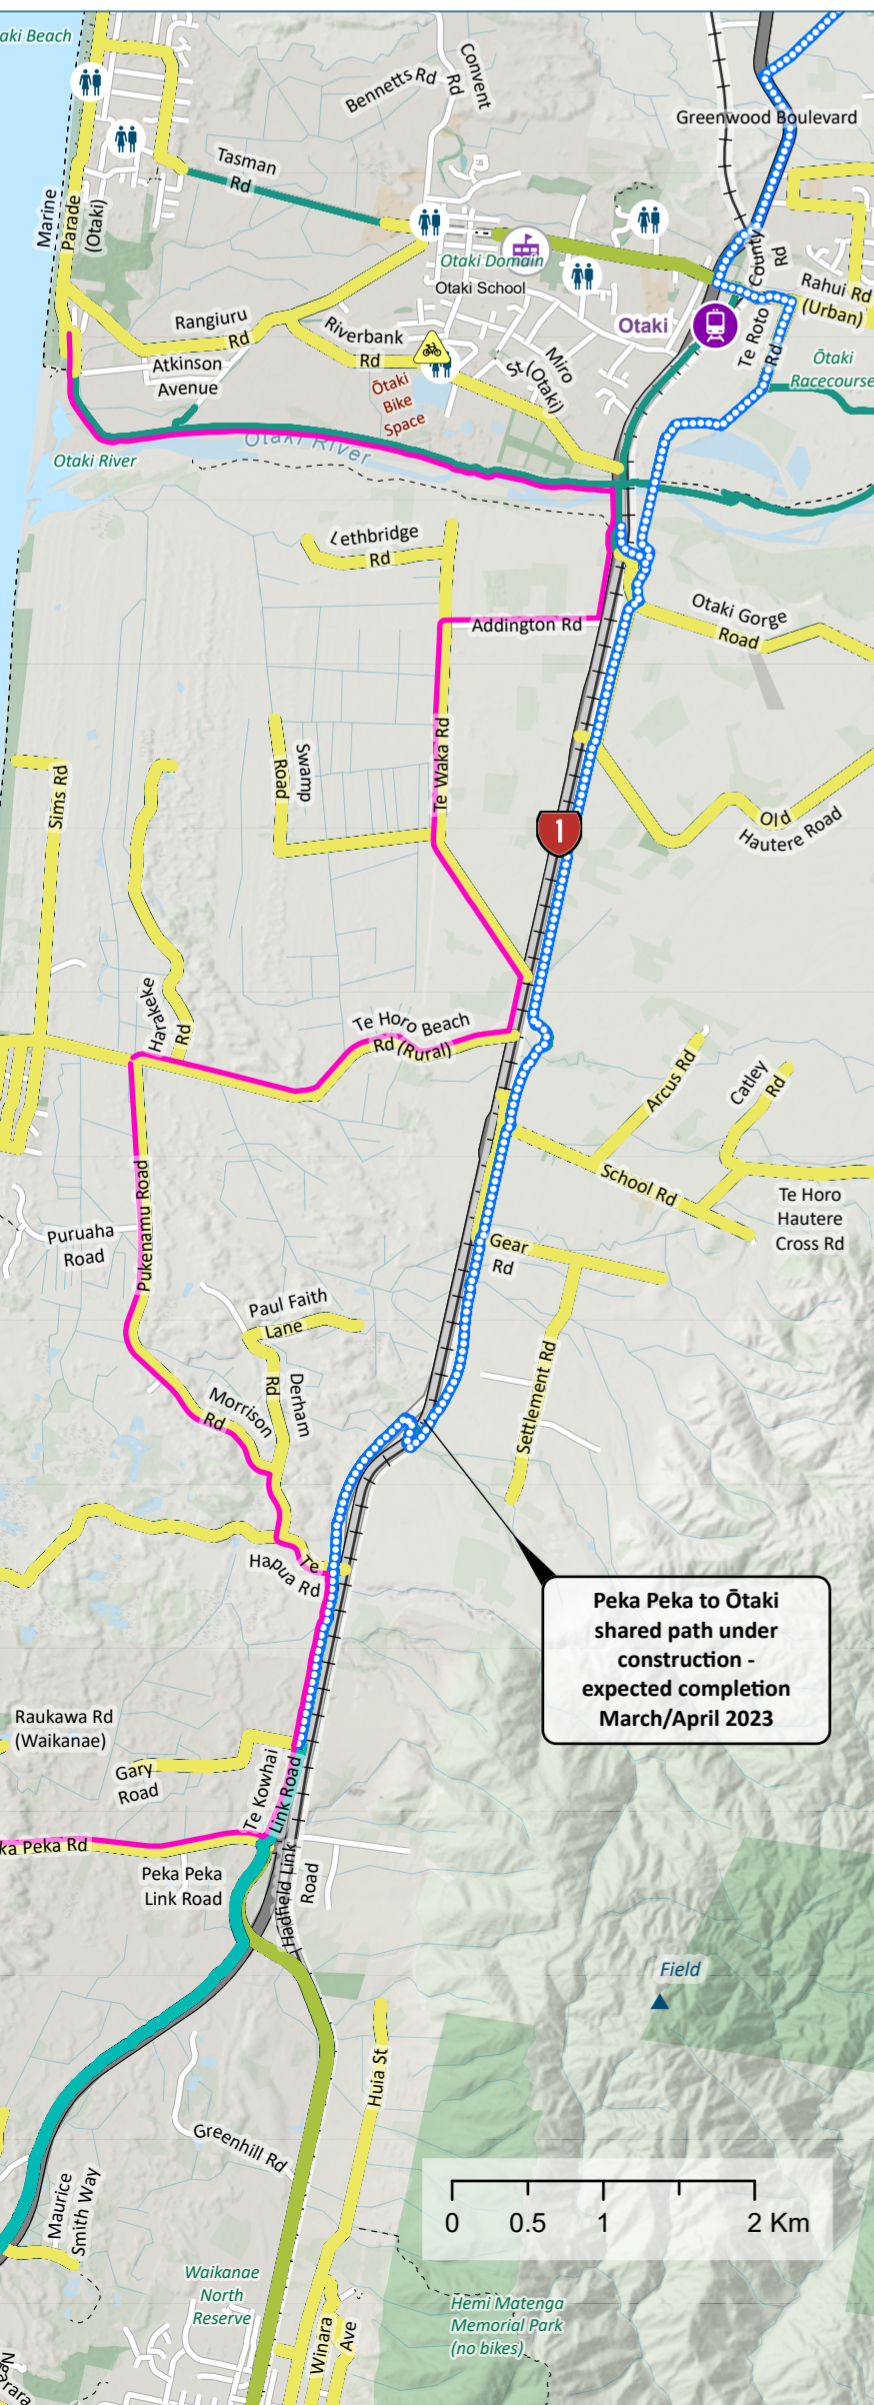

Give way to people walking and be aware of other vehicles.
