

## **Environment Perspectives Research Privacy Statement**

### **What this statement covers**

Greater Wellington has created this privacy statement to explain how Headlight collects and manages (on Greater Wellington's behalf) your personal information collected through this survey.

### **What personal information do we collect and for what purposes?**

Greater Wellington is collecting your age range, gender, ethnicity, location, household type, and your opinions on the environment in the Wellington Region. Completing the survey is voluntary. The purpose for collecting this information is to understand and group public perspectives of the state of the environment to improve Greater Wellington's communications, and for trend analysis over time.

### **Using your information**

We will only collect your personal information:

- For the purposes we collect that information (see above)
- For other reasons permitted by the Privacy Act 2020 (e.g. with your consent, for a directly related purpose, or where the law permits or requires this use).

### **Providing your information to others**

Headlight will analyse your collected information to produce a report containing aggregated non-personal information and this report will not be shared with other agencies.

### **Further Information**

For further information about how Greater Wellington handles your personal information including how to request a copy please refer to [Greater Wellington's Privacy Statement](#).
