Hikoi mō Te Tiriti – Our thanks to the organisers

We had the privilege of conveying hikoi participants on our Metlink trains, buses and ferries on Tuesday 19 November 2024. It was the largest ever passenger day in Wellington's public transport history.

I and my Council would like to thank you for your leadership and organisation in marshalling an inspiring and well-disciplined event. It contributed enormously to the smooth running of our services. Please pass our thanks onto all those that were involved.

Ngā mihi

Daran Ponter
